

IBM Retirees Club (Midlands) Committee Meetings – 7 September 2020

Present : John, Gary, Paul, Ray, Michael, Terry, Richard & Sheila

The previous meeting minutes were approved.

Matters Arising from Minutes

The coffee & cake event went well and John suggested this type of event could be repeated in September. So an afternoon tea and cake event was proposed. Further details are under 2020 Events Update below.

Chairman's Report

Nothing to report.

Treasurer's Report

There has been no expenditure during August so position same as last month.

The end of August bank account balance was £5,562.90

There is still one outstanding cheque for £50 for Alan Bridgman which will reduce this balance, Alan does not think that he is owed this money so Paul will suggest to him that he gives it to a charity.

The IBM Club had a bug in their spreadsheet so undercharged us for the theatre club events etc. Paul will arrange to send them a cheque for the balance of £111.65.

Membership Report

We have one new member, Ranjan Mistry. Gary has emailed him to welcome him to the club. Current membership is now 432.

PC Technology Group

The August meeting was attended by 10 members and **Richard** gave a presentation on the **WordPress** application for creating websites.

For the **September** meeting **Charles Barnwell** has offered to talk about his experiences with implementing and using **WordPress**.
